Spring 2020 to Summer 2023
Online Program

Concentration in K-8 or Secondary School Mathematics

Program Overview:
UMBC intends to offer the MAE program for teachers who want to increase their understanding and implementation of mathematics content knowledge, strengthen pedagogy and enhance teacher leadership through graduate level courses. Applicants who are admitted to this program will be admitted and registered as bona fide graduate students of UMBC. Participants completing the program with 36 approved graduate credits will be awarded the Master of Arts in Education (MAE) with a concentration in either K-8 mathematics instructional leadership or secondary mathematics.

The online group will begin in Spring 2023. UMBC will offer program participants three or four, 3-credit courses or nine (9) or twelve (12) credits per academic year during the spring, summer, and fall semesters. Participants are expected to complete the program in four (4) years by Summer 2023. All courses will be delivered through an online format.

How to Apply for the MAE Online Program:
Prospective participants will begin by mailing the documents outlined in STEP 1 by December 1, 2019 to Jerri Frick, UMBC Dept. of Education, 1000 Hilltop Circle, Baltimore, MD 21250 or by email to frick@umbc.edu. Through review of STEP 1 documents, UMBC will determine whether your background and qualifications meet the program acceptance requirements and if the program has substantial numbers to begin. If so, you will be notified by email to complete STEP 2 of the online graduate application process.

Tuition:
Each participant will be responsible to pay tuition each semester for all credits taken in the academic year, and will be billed directly by UMBC at $1050 per 3-credit course. Participants will automatically be billed the tuition upon registering for the course. Participants can access accounts and pay electronically through myUMBC, “Billing & Financials”. University deadlines and late fees will apply.

Fees:
A Graduate Application fee of $50 will be required when applying online to the Graduate School. Participants will be billed a one-time matriculation fee of $200. A one-time Education Department Accountability System (Tk20) fee of $100 must be paid directly to Tk20. A technology fee, currently $15 per credit, will be charged each semester. Other University fees could be assessed if warranted – e.g. late payment, late registration, library, or parking violations. During the final semester if choosing to walk in commencement, participants will have to pay for regalia rental. These rates are subject to change based on university policies. All other standard fees associated with graduate courses will be waived. All fees are non-refundable.

Textbooks:
Teachers participating in the program will be responsible for purchasing their textbooks. We recommend using an online service such as Amazon.com. The course instructor will provide detailed information regarding textbook requirements each semester.
Registering for Courses:
Registration is completed online through myUMBC. Prior to each semester, participants will be contacted by email of the non-published “class number” which will be required to register. Participants are required to register before the start of each class. University deadlines and late registration fees will apply.

Dropping a course, Withdrawing or Leave of Absence:
UMBC Department of Education is committed to each participant’s success as a graduate student. Your participation in the online program is a personal, as well as, a group commitment. If a participant feels that they must interrupt their studies for any reason, please inform the Academic Program Director of your decision. University policies regarding drop and withdrawal can be found at: www.umbc.edu/sbs/ tuition.

Other UMBC Courses or Programs:
The requirements and costs outlined above pertain specifically to courses offered through this online program. Participants who wish to pursue coursework or degrees outside of this program will be subject to standard university tuition costs, fees, and procedures for registration and admission.
