Notes:

Students in the teacher certification program should see their academic major advisor and their
education advisor every semester. The education advisor is responsible for the requirements of
the teacher certification program only. All major and University requirements should be
confirmed with your academic major advisor.

There are also two-language options available. The ability to teach two languages is highly
valued by prospective employers. If interested, see the details of completing a two-language
major in the Undergraduate French in the Business World Catalog.
